

# planning clarity town planning

bringing clarity to the planning system

## **We are a town planning consultancy based in London in the United Kingdom**

Our professional consultants specialise in obtaining planning permission for development and advising on other matters concerning the town planning system in England and Wales

We advise on all types of development, whether it be residential, commercial or mixed use development, including housing, student accommodation, retail parks, care homes, offices, warehouses, hotels, bars & restaurants, regeneration, infrastructure and renewable energy projects

Our consultants are all professionals who have worked in local planning authorities and in private practice and have a comprehensive understanding of planning and property development from all sides of the equation

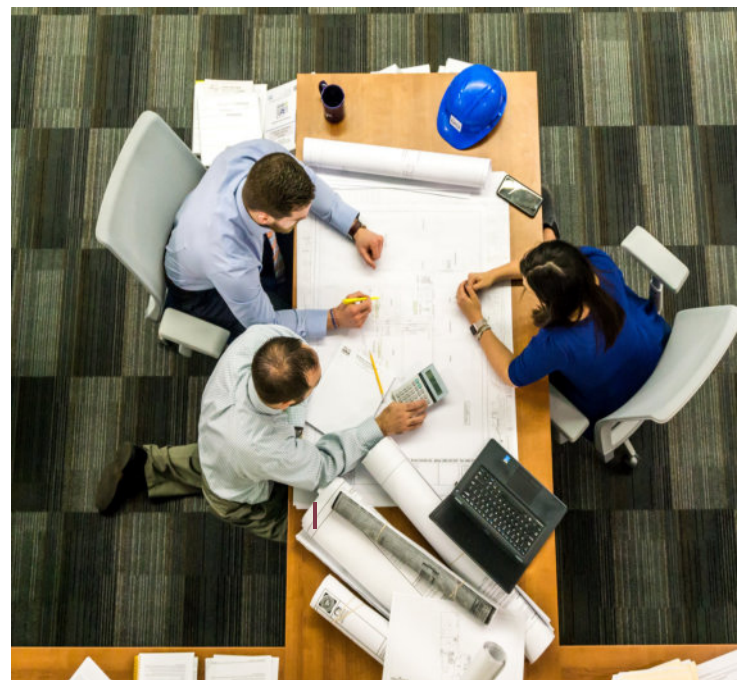

## Our services

We can help you with the following matters:

### Town planning

- Planning applications
- Planning appeals (inquiries, hearings and written representations)
- Pre-application advice requests
- Permitted development rights
- Planning enforcement action
- Listed buildings & conservation areas
- Tree Preservation Orders
- Strategic planning advice
- Advertisements
- Changes of use
- Planning policy assessment
- Planning conditions
- Assets of Community Value
- Feasibility and site appraisals

**Our clients include property developers and land owners and we also work closely with other property professionals including architects, property consultants and lawyers**
